

23rd International Chess Festival "CONCA della PRESOLANA"

26 August 2003 - Bulletin n.5

The fifth round of masters' tournament, the middle round, has been a quiet one. Except for GM Epishin's win over FM Folco Castaldo, the hard fought game between Brancaleoni and GM Dervishi, won by the latter, the suffered win by GM Drazic over the rocky CM Passoni and FM Qendro's win over FM Roberto Costantini, we can notice quite many quick draws. At the top of the standings we can still find GMs Maksimenko, Milov and Sax, but GM Epishin and a few other players are following only half a point below.

We want to point out FM Llambi Qendro's nice tournament. With three and a half points we can find the first italians, headed by wGM Elena Sedina. Italian U20 Chapion 2002 Giampaolo Buchicchio is defending his title in the best way. Now he is the sole leader with 4.5/5, followed by Ronchetti, Tomba, Piscopo, Bertagnolli, Ferro and Vocaturo half a point below. Quite interesting game between Tomba and Bertagnolli. The fifth round of women's event confirmed Maria De Rosa's good shape. After winning over Sonia Sirletti, it looks like no one can stop her climb to the title. Eleonora Ambrosi and Laura Costantini are following with one point less. Nice tournament for Ilaria Clappa, winning over Nazarova and alone at the fourth place.

Only one man still leads B Tournament, Daniele Morandi retains full score after the top clash against Mario Cambieri. Francesco Lupo follows alone with 3.5 points. In C tournament we can find Giovanni Brunelli, who is participating in almost every tournaments in this period (Milano, Bergamo, Genova, Nuoro..). He's almost a professional... almost... ;-)

Seven players are following with half a point less. The nice blond girl in the last page is Ilaria Vocaturo, almost 11 years and having a very good tournament. In Promotion tournament leaders are Adriano Paulovich (don't be harmed by his name, he's not an hidden slav GM...) and Paolo Gerali, both with 4/4.

I just want to remind you about this evening's blitz tournament, at 21:45 in Milano Hotel's dependance. Tomorrow morning, in analysis room, IM Renzo Mantovani will analyse your games for free.
