

23rd International Chess Festival "CONCA della PRESOLANA"

22 August 2003 - Bulletin #1

Welcome to the 23rd edition of "Conca della Presolana" International Chess Festival. This is nowadays one of the most important events in the Italian chess calendar. Since a few years it hosts Italian U20 Chess Championship and, since last year, Italian Women Chess Championship too. The high level organization (Mr. Pagnoncelli) together with its special environment (just notice the new analysis room in Hotel Milano) brought to a constant growth in the number of participants. In Tournament A there are 110 players (12 GMs, 1 wGM, 8 IMs, 12 FM), plus 71 young players in Under 20 Championship, together with 24 participants in the Women's event it makes a total amount of 205 players representing 12 different countries!! In Tournament A there were few surprises : all the favourites won, except GM Csaba Horvath, who drew the game against CM Edoardo Bonazzi thanks to a perpetual check. Very good draw for young player Frilli against FIDE Master Alessio De Santis. Their game was the last to finish. Very interesting bishop vs bishop endgame where GM Godena outplayed his opponent Master Cazzaniga. In the Under 20 event already a surprise in third board, where Lain in a bad shape dropped the full point into Valerio Buono's hands. The latter was good enough to take his chances. All the other favourites won. In the Women's event, where there are 5 FIDE rated players, most of the games were hard fought. At the end all the favourites won except Sautto that lost her game to the new U14 Italian Champion Fulvia Castellano, that's in a very good shape!! Tournament B, C and promotion will start today. Enjoy your games!!

Davide Cortese

Thanks to Corsico Chess Club contribution, this year there's a nice novelty : for the first time in Italy the new DGT boards and XL digital clocks. Top 4 boards have live internet broadcast!!
